The transcript on the previous page details your confirmed results following the recent assessment boards. Please refer to the information below for further details on what this means for you.

Finalists

Pass - Completed Award

Congratulations! You have successfully completed all required modules at this stage. Your award classification is recorded on your Academic Transcript next to the word 'classification'.

To understand how degree classifications are calculated, please read the classification information on www.edgehill.ac.uk/registry/results-publishing-dates/.

If this is your first notification that you have passed (i.e. you did not achieve your qualification in time for a previous awards ceremony), you are eligible to attend your graduation ceremony providing that you adhere/have adhered to the deadlines set by the ceremonies team for applying to attend the ceremony and ensure that you are not in debt to the University by the deadline set by the ceremonies team.

Should you have any query regarding the ceremony please contact the Ceremonies Team at ceremonies@edgehill.ac.uk. More information can also be accessed on the graduation ceremonies webpages here: <https://www.edgehill.ac.uk/graduation/dates-and-times/>

Your award certificate will be posted to your home address by no later than three months after this notification. Please note, award certificates are not given out at the graduation ceremonies.

Expiry of access to your network account – For information on when access to your network account will expire, please visit the Academic Registry webpages here:

<https://www.edgehill.ac.uk/departments/support/registry/data-management-and-user-support/>

Continuing Students

Pass & Proceed with Studies

Congratulations! You have successfully completed all required modules at this stage. You have met the academic requirements to continue with the programme and may enrol to the next level as scheduled when the enrolment period commences. For more details on the arrangements for your re-enrolment, please visit:

<https://www.edgehill.ac.uk/departments/support/registry/enrolment/>

Should you have any enrolment queries please contact:

e: enrolment@edgehill.ac.uk

All students who are returning to Edge Hill next academic year and intend to fund their studies through Student Finance must apply for their funding as soon as possible. A delay in your application may result in your loans and grants not being processed in time for the start of your course.

Please contact the Fees, Scholarships and Bursaries Team with any queries relating to your tuition fee:

e: TuitionFees@edgehill.ac.uk

Personal Circumstances

If you believe your performance in an assessment(s) was impacted by mitigating circumstances, you can now submit a Personal Circumstances application.

Information on the Personal Circumstances process can be found on the Academic Registry webpages here:

<https://www.edgehill.ac.uk/departments/support/registry/assessments-and-awards/#emc>. The application form can be accessed online here:

<https://www.edgehill.ac.uk/departments/support/registry/assessments-and-awards/personal-circumstances-form/>. The absolute deadline for you to lodge an appeal is: 22-JUL-24. Please note, this will be your last opportunity to submit a Personal Circumstances application for this set of results. It is not possible to consider applications that relates to assessment considered by a previous assessment board and therefore included in an earlier online academic transcript.

Please also note, an approved Personal Circumstances application means that your assessment will be moved to the next assessment point without penalty. However, this will not mean that you can automatically progress to the next year of your programme or be given your award which instead is based on the credits you have passed. More information on the award and progression regulations can be found here:

<https://www.edgehill.ac.uk/departments/support/registry/assessments-and-awards/#results>.

Academic Appeals

All students have the right to submit an academic appeal against the outcomes of Assessment Boards. However, students may only appeal on the grounds of procedural irregularity in the assessment process or bias or perception. Disagreement with a decision made by an Assessment Board shall not, of itself, form grounds for an appeal. If you wish to submit a claim for mitigating circumstances, please refer to the Personal Circumstances process detailed above in the first instance.

Students who have been given a further opportunity to submit assessment should note that submission of an academic appeal will not normally alter the next assessment submission deadline. All students who submit an academic appeal are advised to continue with their studies whilst the appeal is pending.

To make an appeal, students must complete and submit the academic appeal form within 10 working days of the publication of results. An academic appeal form can be obtained from the here:

<https://www.edgehill.ac.uk/departments/support/registry/academic-appeals-form/> . The absolute deadline for you to lodge an appeal is:22-JUL-24

Additional advice can also be sought from the Edge Hill Students' Union: www.edgehillsu.org.uk or suadvice@edgehill.ac.uk.

Requests to repeat the year

Please note that applications to repeat the year can still be accepted until 20-SEP-24. The repeat year process is an evidence based scheme and as such applications must include supporting independent evidence. More information on the scheme including the application form and the deadlines for submission can be downloaded from the following link;

Supplementary information

a) When applied to any of the grades above, the suffix (L) indicates that, through the design of the programme or timing of placements, some module assessments were not due for submission in advance of the meeting of the relevant end of year Assessment Board.

b) Any student who has been awarded a condoned pass (noted as 'PC') who wishes to undertake reassessment should contact the Assessment Team in Academic Registry for advice. Please note students with a code of 'PC' who wish to instead undertake reassessment are only eligible to do so if it can potentially improve their final classification. Any requests of this nature should be made in writing to Academic Registry (e: assessmentteam@edgehill.ac.uk) within 10 working days of their results being published.

c) When applied to any referred codes above, the suffix 'F' indicates that the next assessment attempt is the final attempt permitted within the academic regulations (e.g RF).

d) Any module codes including the letters 'RPL' indicate that the credit has been awarded via the Recognition of Prior Learning process. For module codes indicating 'RPL_PRC', this means that the RPL module reflects previously recognised credit (e.g. in a prior academic session) that has not previously been used for an award.
